Cat. No. 321/8314 £159.99

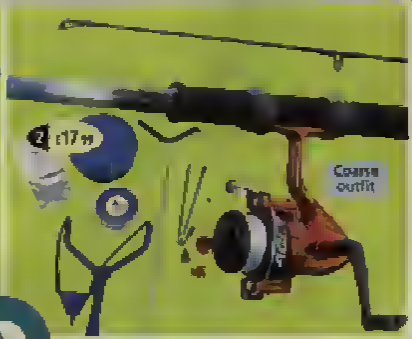

CUSTOMER INFORMATION

CAVITY BACK HEAD DESIGN

- Hollow back shape distributes weight around the "sweet" area
- Creates a larger "sweet spot" giving a more "forgiving" club on off centre strikes
- Weight concentration on the sole area helps the golfer get the ball up

Cat. No. 7508/4839 £39.99

13 Elki's "Elephant" Steering Wheel Lock. High security lock and sturdy steel construction with vinyl coating to protect interior fittings. Easily fitted in seconds, the double two-hook design and high visibility of this device makes it an effective deterrent to thieves and, if fitted as shown, it cannot be easily removed even if the steering wheel is cut up to four times.
Cat. No. 7408/1840 £9.99

14 Universal "Toplock" Steering Wheel Lock. Highly visible immobiliser which can be fitted in seconds to provide an extremely high level of protection. Fits all types of vehicle including those with airbags. The three point locking system encloses steering wheel rim and spokes making forced removal or driving virtually impossible. Incorporates a high security ten disc lock mechanism with 8 hard drawn steel locking bar and solid steel clasp hooks. "Softcover" padding designed to prevent any damage or marking vehicle interior. Up to 15% discount on motor insurance (subject to status) via in-pack leaflet.
Cat. No. 7408/3337 £24.99

15 "Stoplock". A highly visible, easy to use steering wheel immobiliser made from high grade steel. This high security device has flashing warning light to deter thieves day or night. A positive locking action enables Stoplock to click shut without the key. Covers the centre boss to restrict removal of the steering wheel and airbag. Complete with window decal and five year manufacturer's guarantee. Batteries supplied.
Cat. No. 7408/1234 £27.99

16 "Stoplock" Pro High Security Steering Wheel Lock. Hardened anti-saw steel bar with deadlock system for maximum security with soft moulded casing to protect interior fittings. Locks onto steering wheel restricting wheel movement thereby immobilising the vehicle. Covers the centre boss to restrict removal of the steering wheel and airbag. Fits most vehicles with or without airbags. Stoplock Pro has been fully attack tested and meets the British Insurance Industry's criteria to Thatcham Category 3. It has proved to be 100% effective in preventing car crime in a live crime test conducted with Canterbury Police. It has also been endorsed by leading insurance companies, who may provide insurance discounts to vehicle owners who use this highly effective visual deterrent. For insurance and specific application details, please refer to our supplier helpline. Manufacturer's lifetime guarantee.
Cat. No. 7408/1368 £37.50

17 "Autolok 2000" Steering Wheel Lock. Highly visible, high security shield slides over the steering wheel to protect both the car and the driver's airbag. Fits in seconds to all standard steering wheels (350-400mm) including wheel with airbags. Simple pushbar locking mechanism locks without using a key. Solid arm prevents steering wheel being turned and telescopes into unit for easy storage. Fully attack tested and approved by Sold Secure and Thatcham (category 3) in the UK and the only steering wheel lock to withstand strongest 5 minute attack tests by both Auto Express and What Car? 1998.
Cat. No. 7408/6591 £59.75

18 Easy Fit E/S Car Alarm System. Remote controlled alarm. Current and shock sensing with 120 dB siren. Simple wire only connection required. Supplied with flashing LED for extra deterrent and window stickers. Suitable for 12V negative earth vehicles only (check that battery negative terminal is earthed to car body). Remote control battery supplied.
Cat. No. 7408/8399 £19.99

your guide to power tools

Top Tips

- For corded tools, power is measured in wattage, for heavy work always choose a high wattage. For cordless tools, power is measured in volts; higher voltage means higher power. Hammer action is a must for drilling into masonry and concrete.
- *Variable speed drills* give greater flexibility and control on different kinds of materials. Single speed drills are ideal for drilling into wood, metal and plastic. Two speed drills give you the choice of a slower speed for soft materials and a faster speed for hard materials. Reverse action allows you to screw or unscrew screws and free a sticking drill.
- *Torque control* minimises damage to your drill. If you try to drill into something too hard, the drill will stop rather than risk damage.
- *Removable batteries!* If you intend to use your cordless tool continuously look for a second battery which can be charged up whilst the drill is still in use.

What does it mean?

Chuck size – diameter of the largest drill bit that can be put into the drill.

Keyless chuck – change the drill bit quickly and easily without a chuck key.

Spindle lock – lets your power screwdriver work as a conventional screwdriver, for tackling very tough screws.

Think Safety

ROSPA Safety Tip

- Always read the manufacturer's instructions before starting work and follow them.
- Test tools with a residual current device (RCD) before use. This will disconnect the power if there is a fault (see page 77 Cat. No. 982/5547).
- Always wear safety goggles for DIY jobs. A safety kit is available via mail order (call our Spares and Accessories Service on **0870 600 4040** for credit/debit card orders).
- Use good quality drill bits and always unplug the drill before fitting them.

For your information

- All sizes quoted are approximate.

Corded Drills

2 £19.75

1 £17.99

1 Power Devil PDD2600C Hammer Drill And Case.
• 400 watt. • Single speed, 2,500 rpm • 10 mm (⅜ins) chuck. • Hammer action. • Front handle. • Depth stop. • Includes carry case. • Mains operated.
Cat. No. 710/1450 £17.99

2 Skil 6095HJ Corded Hammer Drill. • 480 watt. • Single speed, 2,700 rpm. • 10 mm (⅜ins) chuck. • Reverse facility. • Hammer action. • Mains operated.

TONGUE AND GROOVED WEATHER-BOARD CLADDING THE BENEFITS

Interlocking design gives:

Greater stability and helps to ensure that the cladding will not separate. Giving weather proofing as there are no gaps for rain to penetrate. Greater security than overlap as there are no loose edges to be jolted off.

The extra machining that is required to profile the bottom rail tongue and grooved cladding produces a planed, clean cut board giving a better looking finish. Due to the machining process the external grain of the board closes up making it more weather resistant

Security
In The Home

1 Fire Sentry Smoke Detector Twin Pack. Twin standard ionisation smoke alarms with loud 85db horn, low battery indicators, LED indicators and test buttons. Supplied complete with batteries, fittings and easy instructions. **Manufacturer's 5 year guarantee.**
Cat. No. 701/2815 £6.99

2 Micromark Wireless Pager Alarm. Can be used as an alarm or chime warning of unwelcome intruders or attention to your property. It has options to be triggered by door contacts, movement or shock sensing, giving you complete flexibility to locate the transmitter unit sensor in any location or on any item you wish to protect. Ideal for use as a door or window protector, intruder alert for the car or as a movement sensor on lawn mowers and garden equipment. Range of 100 feet line of sight between the transmitter unit and the alarm/chime unit. Requires 3 x AA batteries (order 2 at 99p/pair) at £1.75 a pair).
Cat. No. 701/2543 £24.99

3 Kidde Full Home Fire Extinguisher Suitable for use in home, office, boat, car and caravans. Offers protection against all types of common fires (wood, paper, textiles, fats, grease, petrol, gas and electrical). Supplied complete with large visual pressure gauge, fixing bracket with straps, safety pull pin and instructions. Manufactured to EN3 standards and carries an 8A:34BCE fire rating. **Manufacturer's 5 year guarantee.**
Cat. No. 701/3959 £14.99

4 Micromark CCTV Camera Kit. All the security of a CCTV kit from the comfort of your armchair. See and hear callers to your door or monitor other areas of your property on your home TV. The system is simple to install and connects straight to your TV via the SCART socket. Once installed, simply change channels via your own TV remote control to view high quality black and white images of the camera's view. Supplied with camera, powered SCART leads and mains adaptor, wall bracket, fixing screws and fully illustrated fixing instructions.
Cat. No. 701/3997 £59.99

5 Micromark CCTV Camera And PIR. Turns your TV into a home observation system, see and hear callers to your home door or monitor other areas of your property from the comfort of your armchair. Suitable for indoor/outdoor use to monitor doorways, play areas, nurseries or garages. Simply connect to your TV by the SCART socket and plug and play connections to provide a high quality black and white picture on your TV set. The infra red LED's on the camera improve night time vision for lower light levels. The picture on the TV will automatically switch over to the camera view if the PIR or sound activation triggers or the camera are activated. You can also manually switch to the camera view by using your TV remote control handset. Supplied with PIR camera, SCART head/control box, mounting bracket and fixing screws, 12m cable, 13 amp mains power adaptor and instruction guide.
Cat. No. 701/2936 £89.99

6 Dummy CCTV Camera. Lifelike dummy surveillance camera with flashing LED. No wiring required - simply fix to wall (fixings included). Battery supplied.
Cat. No. 701/2950 £14.99

CUSTOMER INFORMATION

ENERGIZER BATTERIES
Last 50% longer in applications like High-Tech 6LR61 Energizer AA

DURACELL BATTERIES
Last up to six times longer than ordinary non-Lithium batteries.

RECHARGEABLE BATTERIES
Rechargeable battery packs are supplied uncharged. Due to the nature of NiCad rechargeable batteries, it is possible that the battery will not be completely charged and it has been charged/discharged on several occasions. Please read manufacturer's instructions fully before use.

BATTERY RECOMMENDATIONS
All batteries are sold in packs. Our battery recommendations only. Provided, in most cases, to purchase one more battery than necessary.

BATTERY SAFETY WARNING
- Never mix new and used batteries.
- Never attempt to recharge ordinary batteries.

your guide to upholstered furniture

Suitability

- Besides deciding on a style and colour, you also need to think about how much wear and tear your sofa will have to cope with

Occasional suitable for occasional use.

Light suitable for regular but not everyday use

General suitable for everyday family use

- Check your chosen item by browsing through our fabric and wood colour guide at the special display desk in-store
- Always check the size of the item of furniture to make sure it will fit into the room of your choice.

What does it mean?

Foam fildur sofabed converts from a sofa to a bed suitable for occasional seating and sleeping

Metal action sofabed a sprung metal frame and mattress is contained within the sofa for added support and durability, and pulls out for occasional sleeping

Permanent Sleeper – a metal action sofabed which combines a sprung wooden slatted frame with a sprung mattress.

Think safety

All our upholstered furniture, mattresses, bed bases and divans are manufactured to comply with safety regulations including both match and cigarette ignition tests.

For your convenience

Free Delivery – most upholstery items are available from stock and delivered to your home within 7-14 days.

16 Day Money Back Guarantee

See the information pages at the back of the catalogue for details on these services.

Ports of call

BY JEFF BANKS LONDON

COLOURCONNECT

A **co-ordinating** collection of sofas and chairs which you can **mix & match** to suit your room

The Ports of Call Collection of sofas from Jeff Banks has been designed with individuality in mind. The range of eight sofas in a selection of easy style fabrics, colours and shapes blend easily with a choice of two chairs. What's more the upholstery range co-ordinates beautifully with the Ports of Call homewares range, see pages 238-239.

CUSTOMER INFORMATION

DUVET TOG RATINGS
The thermal insulation warmth of a duvet is expressed by the term "tog". The higher the tog rating the warmer the duvet. The British Standard minimum tog bands are as follows: 4.5 tog, 6.0 tog, 7.5 tog, 9.0 tog, 10.5 tog, 12.0 tog, 13.5 tog and 15 tog. All of our duvets within these tog bands conform to BS 5335.

WINTER WARMTH — 15 TOG | 13.5 TOG | 12 TOG | 10.5 TOG | 7.5 TOG | 4.5 TOG — SUMMER WARMTH

your guide to security lighting

Top Tips

- Look out for outdoor lights with integral sensors, so the light switches on when movement is detected within its range.
- For a brighter light choose a light with a halogen bulb and for added peace of mind when walking down dark driveways and alleyways, look for an adjustable "time-on" feature.
- For larger properties look for a light with switching capacity, which enables several lights to be connected to one PIR unit.

What does it mean?

PIR – passive infra red sensor.

Microscan – miniature PIR detector.

Think Safety

- Remember to use the correct wattage bulb for your security light.

For your convenience

Check we've got it in stock before you leave home, ring our Stock Enquiry and Reservation Service.

Too Much To Carry? use our Local Delivery Service.

365 Day Money Back Guarantee.

See the information pages at the back of the catalogue for details on these services.

For your information

- Bulbs are not included unless otherwise stated and all sizes quoted are approximate.
- We recommend that you use a qualified electrician to install your security lights.

your guide to showers

Top Tips

- Showers are a convenient and speedy choice for family wash times and a very economical alternative to the bathtub.
- Electric showers connect to the cold water mains supply and are ideal if you don't want to heat a tankful of water. Hot showers are always available and if you're on a water meter savings can be made. The higher the kilowatt, the greater the flow.
- Power showers draw water from your hot and cold household supplies and a pump boosts the flow. Ideal for shower cubicles and when a powerful spray is a must.

What does it mean?

Power Selector – allows you to use less energy in the summer months.

Thermostatic Control – minimises sudden temperature [illegible]

For your convenience

Check we've got it in stock before you leave home, using our Stock Enquiry and Reservation Service.

Too Much To Carry? – use our Local Delivery Service.

14 Day Money Back Guarantee.

See the information pages at the back of the catalogue for details on these services.

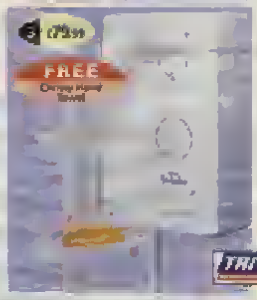

For your information

Extended Guarantees are available on showers.

- Power shower installation service available – call 0800 317 388 for details.
- It is recommended that shower heaters are installed by a qualified tradesman. All must be plumbed to cold water mains and permanently connected to a 230V~ac electrical supply. All our shower heaters are approved to the appropriate British or European Safety Standard.

Cat. No. 870/2874 £249.99

CUSTOMER INFORMATION

ENERGIES
Help to create a healthier environment by restoring the balance of negative ions in the air. They help remove "pollutants" such as dust, smoke and pollen, giving the air a fresher, cleaner feel and may help sufferers of hay fever and asthma.

AIR PURIFIERS
Help remove all of smoke, pollen and dust by the use of an electrostatic filter, leaving a fresher and cleaner

AIR SYSTEMS
These are advanced and air purifiers combined.

DE-HUMIDIFIERS
De-humidifiers are CFC free and remove moisture from the atmosphere, restoring a healthier environment and preventing your household

Items featuring this symbol are Battery Operated. Call for more assembly.

CUSTOMER INFORMATION

KITCHEN CO-ORDINATES
See pages 250 251 for full details of all our co-ordinated ranges.

ENERGY EFFICIENCY

Modern jug kettles can be used with less water as their elements are smaller and more compact. This saves on electricity and can potentially save you over £19 per year on running costs.

TRAVEL KETTLES
Are you taking your appliance overseas? Please refer to page 27 for voltage details.

AUTOMATIC KETTLES
The automatic kettles on these pages switch off when boiled and feature a cut-out facility for safety in the event of the kettle being empty when switched on.

CUSTOMER INFORMATION

KITCHEN CO-ORDINATES
See pages 242 & 248-251 for full details of all our co-ordinated ranges.

ENERGY EFFICIENCY

Like[illegible], kettles can be used with cool water as their elements are smaller and more compact. This saves on electricity and can potentially save you over £15 per year on running costs.

AUTOMATIC KETTLES
The automatic kettles on these pages switch off when boiled and have a safety lid that locks for safety in the event of the kettle being empty when switched on.

your guide to microwaves

Top Tips

- Always buy the model with the highest wattage to suit your budget. The more powerful the oven, the faster it will be able to cook.
- To crisp and brown your food look for microwaves with a grill.
- To get the best of both worlds look for combination ovens. These allow you to microwave, grill and convection oven all in one, especially good for roast meat and poultry, vegetables, cakes and baked desserts.

What does it mean?

Delay start - programmable start times.

Sequence cooking - enables programmable cooking at different settings for different lengths of time. Ideal for leaving your oven to first defrost then cook your meal.

Think Safety

- Always follow the manufacturer's instructions and any cooking instructions on food packs, matching the information on the pack to the power of your microwave.
- To get the best results, stir or rearrange food halfway through cooking or defrosting and always let food stand for a minute or two after cooking.

For your information

Extended Guarantees are available on microwaves.

See the information pages at the back of the catalogue.

Cooking by microwave is up to 75% faster than a conventional oven and, as less energy is used, it's also more economical!

- All our microwaves conform to British and European Standards of Safety.
- All weights and measures quoted are approximate.

CUSTOMER INFORMATION

CONVENTIONAL
Used throughout the industry. Simulated coal or log effect with lamps under the effect, and heat driven fixture to create impression of movement in coals or logs.

"OPTIFLAME"
Patented by the Glen Dimplex Group. A system of mirrors and a mirrored front glass is used to create an impression of a three dimensional burning coals.

"OPTIFLAME"
Patented by the Glen Dimplex Group. A development of "Optiflame" the Optiflame fire uses a system of mirrors and a mirrored front glass to create optically the image of flames dancing above a bed of coals or logs, further can be operated. All electric fire effects are more economical than gas effects, and will run for between 8 and 10 hours on one unit of electricity.

"SUNFLAME"
Patented by Sunflame Corporate Ltd. The unique "Sunflame" fire creates a realistic flame effect over a recessed shaped coal bed, similar to a traditional fire. The "Sunflame" flame effect can be used without heat output, costing no more to run than a standard 100 watt light bulb.

Hairdryers for volumising/diffusing

16 £13.99

17 £19.75

- Diffuser attachments create curl, body and texture and are ideal for naturally curly, permed or wavy hair.
- Volumising diffusers have long fingers that direct the heat to the roots to create extra volume.
- Straightening diffuser attachments detangle and smooth wavy, curly or frizzy hair.
- All diffuser attachments should be used on the low heat setting unless otherwise stated.

25 Philips HP4670/01 Hot Air Styler. • Can be used on wet, dry or damp hair. • 2 speed settings. • Volumiser, retractable bristle brush, curling tong, pointed brush and styling brush attachments.

Philishave

1. All Philishave Systems have these standard features

Philishave ROTA ACTION

Each **individually floating shaving head** has **10 omni-directional** slots cut in it so each all hairs irrespective of length or angle to the skin. Plus **15 self sharpening cutter blades** under each head for a fast comfortable shave and a longer life

Pop out trimmer for moustache and sideburns.
Easy rinsed hair chamber that hygienically collects all shaved hair

Quiet and vibration free. Selected Philishave feature a technologically advanced ultra quiet motor. Shaving head **protection cap** and **cleaning brush**

All rechargeable mains and mains shavers have **automatic voltage** 100-240V AC.
Rechargeable only shavers HB5670 and HQ3410 have **dual voltage** 100V and 230V AC

All Philishave rechargeable shavers have **ecofriendly power cells**. These cells give longer life shaving time and greater reliability.

2. Incorporates Rota Action (System 1)

Philishave DOUBLE ACTION

Lift and Cut Double-Action. Each cutter blade is governed by a flea lifter blade which gently lifts each hair out of the skin before the outermost cutter blade cuts it for an extra close, comfortable shave.

3. Incorporates Rota Action (System 1) & Double Action (System 2)

Philishave MICRO ACTION

Micro Action. Each shaving head has a micro groove formed in the centre of the slots allowing the blade beneath to get very close to the skin, combining with lift and cut double action cutters for a truly superb shaving result.

4. Incorporates Rota Action (System 1) & Double Action (System 2)

Philishave REFLEX ACTION

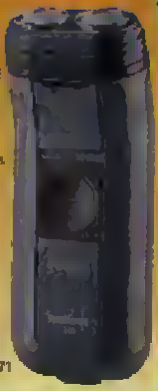

Reflex Action 3D Shaving System. As well as each shaving head floating independently the supporting frame also moves to follow precisely the contours of the face and chin. Each head has a new 3D shape cutting system beneath. Featuring lift and cut double-action for Philishave's best shave ever!

your guide to cameras

Tip Tips

- *Instant Cameras* produce photographs [illegible] need to be sent away to be developed and [illegible]
- *Pro Cameras* are great for younger children as they contain a cartridge style film that is simply 'dropped' into the camera. Auto-f[illegible] then means it's just a case of point and shoot
- *35mm Cameras* have the biggest range of prices and feat[illegible] From a simple non-auto focus compact model to a sophisticated SLR (Single Lens Reflex) model we're sure we'll have the right camera for
- For the ideal family camera choose an *APS (Advanced Photo System) camera* which uses 'intelligent' film cartridges that enable you to choose one of three print sizes. When processed, an index print containing a set of miniatures makes the ordering of reprints much easier
- *Digital cameras* enable an image to be stored, displayed and printed via the use of a PC and a suitable printer

What does it mean?

Fill-in flash operates whe[illegible] the su[illegible] is in shade or against a bright background

Auto exposure/programmed shutter – the aperture/[illegible] speed varies [illegible] to the different light conditions

DX coding – means the camera automatically adjusts to the speed of the film you are using

Panoramic produces special 'stretch print' panoramic scenes.*

Single Lens Reflex – allows you to look directly through the lens rather than the viewfinder, offering greater control over composition of the shot

For your information

Extended Guarantees are available on [illegible]meras

- Batteries are not supplied unless otherwise stated
- Always advise your processor before submitting films containing panoram[illegible] exposures, (they [illegible]ost not [illegible]o develop) and to check the processors can print them

APS Compact

APS Compact cameras 1-5 all are focus free and have sensor auto flash, red-eye reduction, a choice of 3 print formats, easy drop-in loading, motorized load, advance and rewind and batteries.

buy

... I'd never been much of a photographer until I bought an

APS camera...

... loading the film couldn't be easier

it really is idiot proof! the film just drops in and you're ready to go

... pictures are clearer and sharper it's got one-touch auto focus, and 'intelligent' film which actually helps to correct your mistakes

... framing the shots is great fun

this is the clever bit - you choose the size of your print as you take the shot - there are three different formats to choose from

... and it's really easy to order reprints

none of that fiddling about with negatives, just choose the ones that you want from the index sheet

buy

...it's easy and fun to use
.. the results are impressive, with no expertise needed

your guide to camcorders

Top Tips

- *Video 8* are the most popular type of camcorder which offer a wide range of features. Look out for models which display the number of minutes of remaining recording power left in the battery.
- *Hi8* camcorders produce higher quality images. Once used by semi professionals they are now more affordable. Both Video 8 and Hi8 can be plugged directly into your TV or Video allowing viewing and/or copying onto standard VHS tapes.
- *VHS-C* camcorders are the most convenient to use. They use miniature VHS tapes which, when inserted in a special adaptor, can be played back in any normal VHS video recorder.
- *Digital* camcorders produce broadcast quality images while being much smaller and lighter than other types. Features include 100 x digital zoom and PCM digital stereo sound. Should you wish to, you can digitally edit images using your PC before viewing and/or copying on your TV and Video.

What does it mean?

Power zoom – the higher the number the closer you can zoom in.

Full range auto focus – keeps the subject in focus at close range or at a distance.

Lux illumination – the lower the minimum lux illumination the less light is needed for clear recording.

For your information

- Camcorders are excluded from our 14 Day Money Back Guarantee. This does not affect your statutory rights.
- Batteries are not supplied unless otherwise stated.

Extended Guarantees are available on camcorders. See the information pages at the back of the catalogue.

CUSTOMER INFORMATION

BINOCULARS
Binoculars are essential for a variety of hobby and leisure activities. Specifications are included in the text to help selection. 20 x 50 only, for example, means the magnification power is 20 and the lens objective lenses at the binoculars have a diameter of 50 mm. Zoom models have the versatility of offering variable magnification power. Many binoculars featured have multi-coated lenses to improve image brightness. Some are compact and 'easily one a pocket or handbag. The use of a tripod is recommended with very large binoculars. see page 335 Most of our binoculars have 'rubber-armoured' rubber exteriors for the convenience of resistance wherein.

your guide to car audio

Top Tips

- To deter any would-be car stereo thief, most car stereos are now available with a detachable front panel and the stereo will not work without it.
- EON (Enhanced Other Network). If you are regularly driving around in your car look out for these models. You can then choose to interrupt whatever you are listening to with travel bulletins as they are broadcast.
- *Fader Facility* allows you to adjust the sound balance between the front and back speakers, especially useful when carrying passengers in the car.
- PTY (Programme Type), allows you to choose the type of programmes you want to listen to (e.g. news, sport or pop music) and the radio automatically searches for stations broadcasting that type.

What does it mean?

RDS – keeps the station tuned in automatically as you drive around the country and displays the name of the station

For your convenience

Check we've got it before you leave home, ring our Stock Enquiry and Reservation Service

16 Day Money Back Guarantee

See the information pages at the back of the catalogue for details on these services.

For your information

Extended Guarantees are available on car stereos.

- Car radio fitting service available.
- All sizes quoted are approximate.

Free Fitting

1 Pioneer KEH2730R Car Radio/Cassette.
• MW/LW/FM stereo PLL digital tuner • RDS/EON/PTY • 18 pre-sets. • Best station memory. • Power assisted mechanism. • Auto reverse. • Radio interrupt. • Bass/treble controls. • Loudness. • Fader • Clock. • ISO connector. • Removable front panel with case. • Output 4 x 22 watt RMS (4 x 35 watt MPO) • Size (W)178, (D)15, (H)5cm. • FREE theft insurance via leaflet (head unit).
Cat. No. 500/0414 **£129.95**

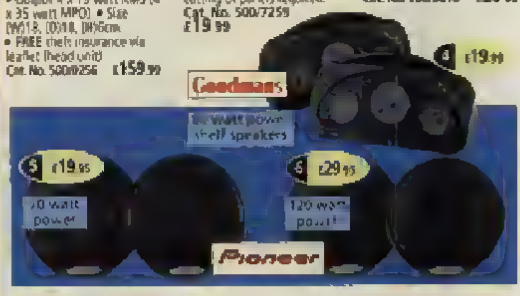

2 Sony XRS800R Car Radio/Cassette.
• MW/LW/FM stereo digital tuner • RDS/EON/PTY/PTY select. • 6 MW/LW/FM pre-sets. • Auto reverse cassette. • Intro/repeat/blank skip. • Automatic music search. • Auto tuner activation on rewind. • Metal tape • Joystick included. • Bass/treble controls. • Adjustable D-Bass boost. • Telephone attenuate. • Clock. • Removable panel with reminder alarm and case. • Output 4 x 19 watt RMS (4 x 35 watt MPO) • Size (W)18, (D)18, (H)6cm. • FREE theft insurance via leaflet (head unit)
Cat. No. 500/0256 **£159.99**

3 Panasonic CQRDP930 Car CD/ Radio. • MW/LW/FM stereo PLL digital tuner. + RDS/EON/PI/PS/AF/TA/ PTY/CT/TP • 6 AM/18 FM pre-sets. • Local/DX. • Auto pre-set scan. • Manual/ seek tuning. • 32 x oversampling. • 3 beam hologram pick up • One chip digital circuit. • Scan/ search • Random/repeat play. • Mono/stereo. • Bass/treble/balance/fader control. • Progressive volume control. • Loudness. • Mute • RDS clock. • Pre-amp output and ISO connector. • Removable front panel with LED and case. • Output 4 x 20 watt RMS (4 x 40 watt MPO). • Size (W)178 (D)15, (H)5cm.
Cat. No. 500/9257 **£149.99**

4 Goodmans GLS 160 Speakers. • 60 watt (max) power handling. • 30 watt RMS (60 watt MPO) • Nominal input power 20 watt. • Frequency response 100-20,000Hz. • 7.5cm woofer, 5cm mid-range and tweeter • Size (W)15, (D)15, (H)27cm • Rear shelf mount, no cutting of panels required.
Cat. No. 500/7259 **£19.99**

5 Pioneer TS-G1610 Speakers. • 70 watt (max) power handling. • 20 watt RMS (40 watt MPO) • Nominal input power 20 watt. • Sensitivity 90dB. • Frequency response 45-20,000Hz • 16cm dual cone • Mounting depth 4.5cm. • Hole cut-out diameter 10.6cm. • Diameter with grille 13.4cm. • Door or shelf mount (some cutting of car interior panels may be required)
Cat. No. 500/8291 **£19.95**

6 Pioneer TS-G1610 Speakers • 120 watt (max) power handling. • 30 watt RMS (60 watt MPO) • Nominal input power 30 watt. • Sensitivity 92dB. • Frequency response 35-20,000Hz. • Injection moulded polypropylene cone. • 16cm dual cone. • Mounting depth 4.3cm. • Hole cut-out diameter 12.8cm. • Diameter with grille 16.5cm • Door or shelf mount (some cutting of car interior panels may be required)
Cat. No. 500/8818 **£29.95**

your guide to audio systems

Top Tips

- The power of the amplifier is measured in watts – the more watts you have, the louder the music will be. Different manufacturers use different ways of describing power, shown as RMS or MPO. For guidance 10 watts RMS = 20 watts MPO.
- Amplifiers with Dolby Pro-logic® give you a bigger, fuller sound by creating a "surround sound" effect, and a graphic equaliser lets you shape the tone of the music by boosting or fading the bass and treble.
- Most CD players available are programmable, allowing you to decide the order the tracks will be played in. You then simply select which track you want to listen to at the touch of a button.
- Tape decks with Dolby B* are designed to reduce tape noise and sharpen the sound. Digital PLL (phase lock loop) enables the radio tuner to search and lock onto the strongest signal.

What does it mean?

High-speed dubbing – allows speedy copying of tapes.

Relay tape play – the second tape starts automatically as the first one ends.

For your information

Extended Guarantees are available on audio equipment. See the information pages at the back of the catalogue.

- Batteries and remote controls are not supplied unless otherwise stated, and all sizes and measurements quoted are approximate.
- *The recording and playback of certain material may only be possible with permission. Please refer to the copyright Designs and Patents Act 1988 and the Performers' Protection Acts 1958 and 1972

Welcome
to the world of MiniDisc

MiniDisc is the latest recordable music format. Unlike a cassette tape it has all the advantages of a disc such as instant track access and pure clear digital sound, with the ability to record digitally too.
You can record up to 74 minutes then edit to create your own compilations - the tracks you want in the order you want them.
MiniDiscs let you record and re-record again and again without wear and tear. With built-in shock protection you'll have nothing to worry about interrupting the flow of sound - no more jumps, clicks or hiss.
There's a huge range of discs too, choose from a massive selection of the world's top artists.

MiniDisc is

- Digital recording
- Easy [illegible]

CUSTOMER INFORMATION
PERSONAL CD PLAYERS
Personal CD players should be placed on a stable, horizontal surface to avoid any loss of sound quality.
Please note, allow roughly 3 hours of continuous play and recharge at room temperature. Most personal CD players powered by alkaline batteries.
SONY ESP2
ESP Steady-sound. Series of specialist anti-skip protection, constantly update the anti-skip memory and give longer continuous playback in more active use. Versions of anti-shock models in each production.

your guide to televisions

Top Tips

Pro-Logic TVs, for all round cinema sound incorporate a Dolby Pro-Logic® decoder to separate and reproduce surround sound channels.

PDC. (Programme Delivery Control) Don't miss out on that special programme – look for a VCR with PDC which automatically adjusts any timer setting if a TV programme is delayed.

Auto-set-up. Attention all technophobics! Look for VCRs with auto set-up, which will automatically locate and store all available channels.

SCART To get the best reception from your TV and VCR you will need a SCART socket and leads. This also enables easy connection of a TV to a satellite receiver, hi-fi system or games console.

5 good reasons to buy from Argos

1. *Too much to carry!* All TVs 21" and above (and TV/VCR packages) are delivered and installed FREE (if required) normally within 3 days. Installation is to an existing socket and adjacent aerial point. You can also get smaller TVs or individual VCRs delivered for a small charge via our Local Delivery Service.
2. *Spread the cost*, to help with the purchase of your TV or VCR credit terms are available.
3. *All the very latest products, prices and offers* are featured in Argos Plus; remember to pick up your free copy in-store
4. *Buy with confidence* with our 16 Day Money Back Guarantee
5. *Extended Guarantees* are available on all TVs and VCRs.

See the information pages at the back of the catalogue for details on these services.

For your information

- 

– all our TVs (14" and over) are digitally compatible with the addition of a set top box
- TV sets are traditionally measured in inches, by the length of the glass tube across its diagonal. The actual viewable picture is smaller due to the cabinet; this size is given as (e.g.) V34cm.
- Batteries and remote controls are not supplied unless stated, and all sizes and measures quoted are approximate

1 Universal Regulated High Power Multi-Voltage Mains Adapter • Converts 230V ac mains to 1.5, 3, 4.5, 6, 7.5, 9 or 12V DC via a multi-way selector switch. • Supplied with 2m lead and 6 interchangeable connector plugs. • LED indicator. • Output current 1200mA maximum. • Suitable for use with most electronic hand-held games, toys, calculators, keyboards, some LCD colour televisions (not home computers or cordless telephones – consult your appliance instructions) • Suitable for personal stereos and radios.

your guide to telephones

Top Tips

- All our phones need a plug-in type socket. Contact BT if you don't have this type.
- Look out for the features to help make your life easier, from last number re-dial to ringer volume control.

Hands free speakerphone facility lets you talk and listen without lifting the receiver.

On-hook dialling lets you dial without lifting the receiver.

- If you want your phone at arm's reach then a cordless phone is the answer. The base unit is connected to a mains supply and a telephone socket, and the handset is recharged by putting it onto the base unit.

DECT or Digital Enhanced Cordless Telecommunication uses the latest wire-free digital technology to give you cordless phones with crystal clear sound every time and a guaranteed secure line. A benefit of DECT phones is that they can be used up to 300 metres away from the base unit.

Extra handsets – by purchasing additional handsets for use with a DECT phone, the members of your household can enjoy a multi way conversation. Additional handsets need only be plugged into a normal plug socket. DECT phones which are marked as 'GAP' compatible mean you can purchase any additional DECT handset for use with the unit even if it's not the same brand.

- For information on services ranging from Call Diversion to Call Waiting call BT free on 150.

What does it mean?

REN (ring equivalent number) – the maximum total REN you can connect to a single phone line is 4.

Multi-channel facility – enables users of cordless phones to switch between channels to get the clearest reception.

BT's digital cordless range no crackles – just crystal clear sound

The phones in BT's digital cordless range not only look good, but sound good too. There's no clicks, no crackles and no irritating buzz, just the crystal clear sound quality you'd only expect from a corded phone.

DECT GAP

- Consistent reception and call clarity over a range of up to 300* metres so you can talk freely and clearly anywhere around your home and garden.
- Add up to 6 extensions/handsets without the cost or mess of expensive wiring or sockets.
- BT's Diverse 2000 range is digitally enhanced by Siemens, the world leaders in DECT technology.

Diverse 2010

Digital Cordless Phone.

- Call clarity of a corded phone.
- 10 number memory.
- Digital security
- Range indicator.

DECT Cordless Phones

DECT digital technology is the new standard for the most advanced cordless phones. With superior digital features DECT offers interference free sound, substantial range allowing greater flexibility and mobility and a guaranteed secure line without risk of unauthorised access. Additional handsets can also be added to form a complete telephone system for the home or office. Look for GAP compatible products which allow you to add any additional handset to a product even if it's a different brand.

	Off-peak (per minute)	Peak (per minute)
Standard UK call charges	5p	35p

For details of call charges to non-standard UK mobiles, premium rate services, text message services and international rates, please call the vodafone helpline.

Peak times: 8am–6pm Monday to Friday. Calls are billed by the second.

To stay continually connected to the service simply buy a top-up before your service credit expires. You can take a break from buying top-up cards at any time and still keep any call credit for up to 60 days and your mobile phone number for 180 days. Cards can be used entirely for calls if you have service credit left.

† Please note that vouchers for mobile telephones are excluded from the Argos 14 Day Money Back Guarantee. This does not affect your statutory rights.

vodafone

books_to_bytes

your guide to answer machines

Top Tips

- To install your answering machine you will need an electricity socket near to a plug in telephone socket.
- *Tapeless machines* record messages digitally and not onto a tape, making message retrieval easier and faster
- *Ring Selector* allows you to decide after how many rings your machine will activate. Answer machines with remote access enable you to retrieve your messages away from home.
- *Memo facility* lets you leave a message on your machine for someone else to hear when they get home, and if you're away for several days the answer only option will not let callers leave messages

What does it mean?

REN – (ring equivalent number) – all faxes, telephones and answering machines have a REN. The maximum total REN you can connect to a single phone line is 4

For your convenience

Check we've got it in stock before you leave home, ring our Stock Enquiry and Reservation Service

14 Day Money Back Guarantee

See the information pages at the back of the catalogue for details on these services.

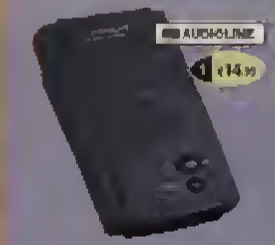

For your information

Extended Guarantees are available on answering machines

your guide to printers and faxes

Top Tips Printers

- If you're looking for a printer for home use, then inkjet/bubble jet printers produce sharp results from professional looking letters and newsletters to simple graphics. However, for superior quality mono printing choose a laser printer
- Printing in colour makes your documents more interesting and all our inkjet printers include colour cartridges

Top Tips-Faxes

- To send faxes your machine needs to be plugged into both an electric socket and a plug-in telephone socket, and to work on the same phone line as a telephone or answer machine look for a model with a fax switch
- To connect your fax to an answering machine you will need a model with a TAM interface, this will enable messages to be directed to the fax or answering machine automatically.
- Look out for the plain paper fax machines which do not use traditional thermal paper but print directly onto standard A4 paper

What does it mean?

DPI – dots per inch the higher the DPI the better the print quality

PPM – pages per minute, the measurement for print speed

Font – style of typeface to change the appearance of your work

REN – (ring equivalent number) – all faxes have a REN. The maximum total REN you can connect to a single phone line is 4

For your convenience

Check we have it in stock before you leave home, ring our Stock Enquiry and Reservation Service

16 Day Money Back Guarantee

See the information pages at the back of the catalogue for details on these services.

For your information

Extended Guarantees are available on printers and faxes.

Mail Order Printer accessories are available (call our Spares and Accessory Service on **0870 600 4040** for credit/debit card orders)

- All sizes and measures quoted are approximate

your guide to word processors and typewriters

Top Tips

- To avoid spelling mistakes look for typewriters with Spellcheck which have an electronic dictionary to check against
- If you need to store a lot of text and go back and make frequent amendments, then a word processor is ideal. These have larger memories and can also use 3½" floppy disks to save bigger documents
- To send out the same letter but personalised to lots of different people, look for an address/mail merge facility and if you want to transfer documents onto a PC you will need MS DOS file format compatibility.
- All our word processors use different methods for printing. For letter quality print, daisy wheel is ideal, whereas thermal transfer gives draft and letter quality printing at a faster speed. For superior quality look for bubble/inkjet. Some models are now available with colour printing capabilities to give variety and interest to your documents

What does it mean?

Type pitch – number of characters per inch

Justification – makes all lines of text the same length by inserting extra spaces between words.

CPS – characters per second – the measurement for print speed.

For your convenience

Check we've got it before you leave home, ring our Stock Enquiry and Reservation Service

14 Day Money Back Guarantee

See the information pages at the back of the catalogue for details on these services.

For your information

Extended Guarantees are available on word processors and typewriters.

your guide to electronic organisers

Top Tips

- **Memory** – When choosing an organiser always look for the memory size (i.e. 3K). The larger the memory, the more information that can be stored.
- **Backlight** – will allow you to get the best use out of your organiser, even in poor light conditions.
- **PC Port** – this will allow you to connect your organiser directly to your PC so you can transfer information between the two.
- **Touch Sensitive Screen** – allows you to input and manipulate data simply by touching the screen with the 'pen' provided.

What does it mean?

Window CE – this is the latest software to be used in hand-held devices and includes "pocket" versions of the programmes you would use on a PC – Word, Excel and PowerPoint, allowing you to work on the move and transfer data easily between your PC and your hand-held PC.

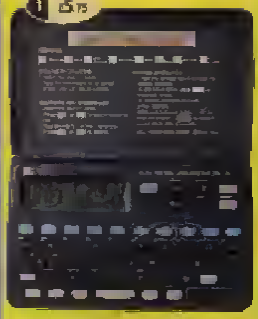

For your information

Check we've got it in stock before you leave home, ring our Stock Enquiry and Reservation Service. See the information pages at the back of the catalogue for this service.

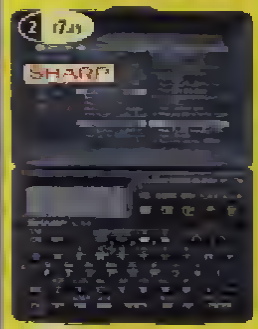

Mail Order Electronic Organiser accessories are available (call our Spares and Accessory Service on **0870 600 4040** for credit/debit card orders)

Scanners

1 Plustek Optic Pro 9636P Turbo. Features a parallel port connection with Auto Address Finder (AAF) technology ensuring that no BIOS configuring is necessary. The scanner incorporates a high-speed "Turbo" chipset with built in 512k cache memory which accelerates data transfer through the parallel port. An advanced image processing technique called "Pixel by Pixel" scans and processes each dot in red, green and blue (RGB) simultaneously giving a much crisper colour reproduction. The OpticPro 9636 Turbo also has the power to process over 68 billion colours and an optical resolution of 600 x 1200 DPI (9600 DPI through interpolation). Full versions of Micrografx Picture Publisher 7.0 and Xerox Text Bridge OCR are supplied.
Cat. No. 671/5966 **£79.00**

2 Canoscan FB320P Scanner. Compact and lightweight design (slightly larger in area than A4 paper). Easy to install using computer parallel port. Canon skew technology for quality scans. 300 x 300 DPI resolution. Scanning speeds, colour 80 seconds (without data transfer) and greyscale 20 seconds (without data transfer). Software included.
Cat. No. 671/5973 **£89.00**

3 Plustek A4 Flatbed Scanner 9636T. The 9636T offers the versatility to scan both positive and negative film. With the built-in transparency lid you can scan all your family slides or negatives and create your own photo quality prints at home with the use of a photo quality printer. The 9636T also offers 36 bit colour depth and 600 x 1200 DPI resolution and is supplied with the necessary cables and high quality image editing and OCR software on CD. Minimum system requirements are Pentium based PC with 16Mb RAM and 160Mb free hard disk space.
Cat. No. 671/5014 **£149.00**

4 EPSON GT7000 Scanner. Compact colour flatbed scanner. Start button for easy one touch scanning. High quality 600 x 2400DPI optical resolution (9600 DPI maximum). Distinguishes 68 billion different colours (36 bit). For Windows 95/98, Windows NT 3.51 or later and Macintosh System 7.5 or later. High speed Adapter, PCI SCSI interface included. Free software supplied; including Adobe PhotoDeluxe v2, Adobe PageMill 3, Xerox Textbridge Classic, Presto PageManager for EPSON, EPSON Photoshare and EPSON Personal Copy.
Cat. No. 671/4099 **£199.00**

5 Canon FC220 Personal Copier. Compact personal copier. 4 copies per minute, no warm up time and all in one cartridge. Stores up to 50 A4 sheets and accepts postcards, labels, OHP film and A4 paper. Choice of four copying colours (not supplied). Size (W)35.9, (D)39.7, (H)10.4cm.
Cat. No. 671/5540 **£279.00**

6 Maxell 3½ Ins Preformatted High Density Diskettes. Pack of 10. Preformatted to 1.44Mb for use on all IBM and compatable PCs. Contains 2 each of red, yellow, green, white and blue diskettes. Certified 100% error free. Lifetime guarantee.

your guide to keyboards

Top Tips

- **Built-in voices and rhythms** All our keyboards have a large variety to choose from, which will give the effect of a backing band accompanying your playing.
- **Drum and Sound effect pads** For all those would-be beat masters, look out for models with these features which sound when you tap them.
- **A Midi facility** For the more serious musician, this will allow you to connect your keyboard to other digital keyboards and even your PC. Keyboards with touch sensitivity mean the harder you strike the keys, the louder the sound

What does it mean?

Polyphony – the number of notes that can be played together at the same time.

CUSTOMER INFORMATION
FREQUENCIES
It is not possible to run two or more vehicles next to each other if their operating frequencies are the same, as this may cause erratic response from the vehicle/vehicles.
Operate away from areas which can cause radio interference eg power lines, tall buildings and metal roofs. Avoid sand and wet surfaces.
Read all the instructions and ensure fully charged before using your vehicle.

your guide to nursery equipment

Top Safety Tips

The following points have been drawn up with the Royal Society for the Prevention of Accidents.

- Make sure your child only plays with toys suitable for their age and [illegible] Keep older children's toys out of reach of young children and babies.
- Fit a safety gate at the top and bottom of the stairs and use a baby [illegible]nitor to hear your child when you are in a different room. Securely [illegible] a fireguard to the wall and [illegible] all fires and when your child is in a [illegible] chair make sure they wear a safety harness. Remember, there is no substitute for supervision.
- Buy a cot which is appropriate for the age, size and development of your child and ensure the sides are securely fixed when your baby is [illegible] 1. Make sure the mattress fits correctly and [illegible] always place baby on his/her back to sleep. Keep baby warm and out of smoky atmosp[illegible] but be careful not to use too much bedding or a duvet. Ensure ventilation in baby's room is good and clothes and bedding are clea[illegible]
- When choosing a car seat, check the seat is correct for the age and weight of your child and that it conforms to the British and European Standards. Read the manufacturer's leaflet for correct installation [illegible] check and tighten the child restraint harness each time you set off. If you are in any doubt, check with your [illegible]al Road Safety Officer.
- Remember to explain the importance of all safety restraint devices to your child as they get older and become more mobile.

For your information

This symbol indicates special information or advice.

- Our mattresses do not contain added antimony and comply with limits specified in national legislation and British Standards.
- Fitting materials and covering fabrics meet the requirements for resistance to cigarette and match ignition in the UK Furniture and Furnishings (Fire Safety) Regulations.
- All weights and measurements quoted are approximate.

CUSTOMER INFORMATION

NURSERY ADVICE

PUSHCHAIR SAFETY GUIDE

DON'T

Carry additional children when pushchair being steered by handles or carry shopping in locations other than the shopping tray provided. Leave child unattended in pushchair or use it as a toy. Stopping when pushchair seat unlocked is not advised in the instruction leaflet. Fold pushchair into folded position - refer to the instruction leaflet if any difficulty.

DO

Ensure pushchair is correctly erected with primary latches in place before use. Return seat to the correct position, suitable to the handle height appropriate, before folding. Ensure child wears a safety harness, correctly fitted/adjusted. Ensure that child (and any other nearby children) are clear of moving parts before making any adjustments, folding or unfolding. Take care when loading pushchair into a car boot that it is not crushed. Check regularly that all joints, fixings, straps and catches etc are secure and in full working order.

Stage 4

CUSTOMER INFORMATION

NURSERY ADVICE

Fitting Child CAR SAFETY SEATS

Your child's safety depends on correct installation and proper adjustment of harnesses. Follow manufacturer's instructions carefully.

1) Forward facing
9 kg to 18 kg (20-40 lb) approx
2) Rearward facing
Birth to 9 kg (20 lb) approx

Under no circumstances should any child car safety seat be used on a front passenger seat fitted with an airbag. Our child car safety seats fit most car models. Some require fixing kits. Check with your local dealer prior to purchase. All of our car safety seats are approved to the relevant British and European standards.

CUSTOMER INFORMATION

All items featuring the symbol are suitable for home delivery

Safety gates are suitable for children up to 24 months. For younger children's playing downstairs, and for older ages, remember check the suitability of the safety gate to your child's development. All safety gates/barriers have wall fixings supplied never use without wall fixings.

IMPORTANT
Baby monitors are designed to help you monitor your child and are not intended as a substitute for adult supervision. Check at regular intervals to establish the child's welfare and that the monitor is functioning properly.

information

How to Contact Us

- If you have a general query or a problem, please call our Customer Service team* on the telephone number shown below

customer services

0870 600 3030

- Enquiries about store opening times can be made at any time using the 'Ring & Reserve' telephone number which is detailed on the following pages.
- For more specific product information you can use the telephone numbers listed on the right to call the manufacturer direct
- The address for the Argos internet site is www.argos.co.uk

*For security and training purposes, telephone calls to and from Customer Services Centres may be recorded or monitored.

General Information

Argos reserves the right to alter or change product specifications. Alternatives of similar value or specification may be offered.

All sizes and measurements are approximate.

All items are subject to availability

Please note that all products are sold as suitable for domestic use only. Do ensure that products used in a commercial environment are covered by appropriate insurance

Prices are subject to change without notice – VAT is currently 17.5%

Important – Your Data: Argos Distributors Limited will hold and process your personal data in order to provide products and services to you. From time to time we may make your personal data available to our associated company GUS Home Shopping Limited, other companies in The Great Universal Stores PLC Group, and other carefully selected third parties who may contact you with further offers. We may process your personal data and contact you for our own market research purposes and to make further offers to you. If you intend to apply for credit facilities we may also search the files of credit reference agencies who will record this search. If you would prefer not to be contacted or receive further offers, please inform the in-store sales staff or tele-sales operator when placing your order with us.

You have the right to ask for a copy of your personal information held by Argos in its records in return for the payment of a small fee. You also have the right to require Argos to correct any inaccuracies in your personal information and to prevent or require Argos to cease processing any of your personal information.

This catalogue is valid until the launch of our Autumn/Winter 1999 catalogue and supersedes all previous catalogues.

Argos Distributors Ltd, 489-499 Avebury Boulevard, Central Milton Keynes MK9 2NW (Credit Brokers)

Guaranteed Quality & Safety

Our quality assurance department ensures that all Argos products are tested – often by independent laboratories – to comply with strict safety regulations. Look out for these symbols in the catalogue or on the product

The Lion Mark is a recognised symbol of toy safety.

Furniture – fire safety.

Complies with European Safety Standards.

Energy efficient product.

Furniture glass safety

Electrical products which have been independently tested and factory inspected

All Argos products are guaranteed against manufacturing defects for a minimum of 12 months. Our After Sales Care and Repair Services (detailed below) offer you even greater peace of mind and our staff will help to ensure that these complement your statutory rights which, of course, remain unaffected

After Sales Care

We want you to be totally satisfied with every purchase. If you return an item in its original and unused condition, along with the wrapping and receipt, to any Argos store within 16 days of purchase we will exchange it or offer you a full refund

This guarantee is in addition to your statutory rights which remain unaffected. Some products are excluded from the 16 day money back guarantee and are clearly marked in the catalogue.

If a product develops a manufacturing fault in the first 30 days we will offer the same refund or exchange policy as above (with proof of purchase).

Repair Services

If a product develops a manufacturing fault after 30 days of purchase and within 12 months (or within its manufacturer's guarantee if longer) we will repair it FREE of charge (with proof of purchase). Repairs are normally carried out within 16 days.

Gift Vouchers

Argos gift vouchers are available from any till point in the following denominations

£1	Cat No.	888 0105
£5	Cat No.	888 0507
£10	Cat No	888 1001
£20	Cat No	888 2000

Please note that gift vouchers cannot be exchanged for cash. For corporate purchases of gift vouchers call 0800 378696.

How to Pay

You can pay for your purchases with cash, cheque (with valid cheque card) Premier Points, Argos gift vouchers, Creditcharge, Visa, Mastercard, Style or American Express. Alternatively you can pay with Delta, Switch, Solo or Electron debit cards

Your Credit Options

Interest Free Option

Products marked with this blue symbol are available with the 'option' of Interest Free Credit Terms.

INTEREST FREE CREDIT TERMS

YOU CHOOSE BETWEEN THESE 2 OPTIONS

(i) Interest Free (0% APR)

Interest is charged from the day you sign your Credit Agreement, but if you choose to pay the full amount of the loan before your 4th repayment becomes due, all interest paid will be deducted and your purchase is INTEREST FREE. (You will be contacted shortly before this date as a reminder.)

Credit example: Cash Price = £350.00, Balance after deposit (minimum 10%) = (£315.00. Five monthly repayments of £70.00 followed by one payment of £262.50, total amount payable £350.00 (0% APR).

(ii) 48 Monthly Repayments (28.3% APR)

Your Agreement is automatically set up to give convenient monthly repayments spread over 4 years. If you don't settle in full within the Interest Free Credit Option period, you will simply continue making your repayments as shown on your Agreement (48 months). Repayment examples are shown below:

Cash Price of Goods	Balance after deposit (min 10%)	48 Monthly repayment	Total amount payable	APR
£250	£225	£7.49	£384.52	28.3% (variable)
£300	£270	£8.99	£461.52	28.3% (variable)
£350	£315	£10.48	£538.04	28.3% (variable)
£400	£360	£11.98	£615.04	28.3% (variable)
£450	£405	£13.48	£692.04	28.3% (variable)
£500	£450	£14.98	£769.04	28.3% (variable)
£600	£540	£17.97	£922.96	28.3% (variable)
£700	£630	£20.96	£1076.08	28.3% (variable)
£800	£720	£23.96	£1230.08	28.3% (variable)
£900	£810	£26.95	£1383.60	28.3% (variable)
£1000	£900	£29.95	£1537.60	28.3% (variable)
£1250	£1125	£37.43	£1921.84	28.3% (variable)
£1500	£1350	£44.92	£2304.16	28.3% (variable)
£1750	£1575	£52.40	£2690.20	28.3% (variable)
£2000	£1800	£59.89	£3074.72	28.3% (variable)

The Argos Personal Account (29.8% APR)

For credit terms on a wider range of products, you can apply for an Argos Personal Account. This is a flexible payment account where the amount of time you have to repay is not fixed. You pay a deposit, then a minimum monthly payment which you can increase at any time to reduce the balance more quickly. The APR is 29.8% (variable) and a minimum 10% deposit is required. (Please note: your initial card purchase must exceed £85.00) Repayment examples are shown below:

Cash Price of Goods	Minimum Deposit (10%)	Minimum Monthly Payments	Total Amount Payable
£100	£10.00	£8.00	£114.52
£150	£15.00	£8.00	£185.98
£200	£20.00	£8.00	£271.15
£250	£25.00	£10.00	£338.95
£300	£30.00	£12.00	£406.74
£400	£40.00	£15.00	£557.50
£500	£50.00	£19.00	£692.75
£600	£60.00	£23.00	£828.11
£700	£70.00	£27.00	£963.54
£800	£80.00	£30.00	£1115.01
£900	£90.00	£34.00	£1250.21
£1000	£100.00	£38.00	£1385.49
£1250	£125.00	£47.00	£1740.09
£1500	£150.00	£57.00	£2078.24
£1750	£175.00	£66.00	£2432.80
£2000	£200.00	£75.00	£2787.52

Credit is available to most adults (subject to status) and a written quotation is available on request. To apply for credit you will need to provide identification such as a driving licence or utility bill and a valid cheque or credit card. All credit details appearing in this catalogue are stated on the basis of payment by direct debit. Credit Protection Insurance is available at extra cost. Argos Distributors Ltd (Credit Broker).

(calls cost less than 8p per minute)
or if you prefer, by returning the coupon below

2 Once you have received your pack you can then sit down with the catalogue and choose all the wonderful items for your wedding list. The list will be entered on to our central computer and we will then provide you with printed copies of it to send to your guests.

3 Gifts from your wedding list can be bought from any Argos store where your list will be updated instantly

4 After your wedding we'll send you a list of the gifts and who bought them to help you with your Thank You notes.

Please send me a full information pack on the Argos Wedding List Service.

Complete the form below in block capitals.

Argos DIRECT

Local Delivery

Too much to carry? Problems fitting things in the car? For the price of £5 we will deliver all your Argos purchases*. This can be as many items as you choose to order at any one time. Items can be delivered within 48 hours (see below)

Ordering

- You can arrange to use our local delivery service at the Customer Service point in-store
- Please note: to use this service your delivery address must be within a 20 mile radius of the store where you place the order.

Deliveries

- We can deliver within 48 hours if you place your order between Monday-Saturday
- Orders taken on a Sunday will be delivered on Wednesday
- *This service excludes free delivery items as described below and is not available in the Republic of Ireland. Please note different delivery arrangements apply to stores within the Granada TV region (North West)*

Free Delivery

Free delivery† is available only on certain bulky items (as specified in the catalogue by this orange symbol). These items are delivered direct to your door from our warehouse (eg 3 piece suites).

FREE DELIVERY

Ordering

- Products highlighted with 'Free Delivery' can be ordered in-store (at any till) or by phone using your credit or debit card
- Before phoning, please ensure that you have made a note of the product catalogue numbers and delivery address (and credit or debit card address if different)
- Tel: **0345 427 467**
  between 8am - 10pm (calls will be charged at local rate)

Deliveries

7-14 day service

Unless a 3 day service is specified in the catalogue text (in which case see below), products will usually be delivered within 7-14 days of the date of order. These deliveries are made Monday to Friday, am or pm. A Customer Services Agent will phone and arrange delivery once you have placed the order. Deliveries are made by a 2 man crew who will place the product in the room of your choice.

3 Day Service

Larger screen televisions are delivered usually within 3 working days (excluding weekends) following the date of order (eg. order Thursday, delivery will be made on or before Tuesday). Installation is available on request for 25" screen sizes and below (including packages).

Any other products for which a 3 day service is specified will be delivered by parcel post. Delivery will usually be within 3 working days (excluding weekends) following the date of order.

† In Northern Ireland only, a supplementary charge of £20 will apply to these products delivered to the service exit in-store for details. We regret that the Argos Direct service is not available to the Channel Islands, Isle of Man, Orkney, Shetland and Scilly Isles. We cannot accept liability for goods shipped out of the country by a third party.

0870 600 1010

Phone now for:

- Stock Enquiries
- Store Opening Times

What to Do:

- Select the item you want and make a note of the 7 digit catalogue number
- From the store details over the page, look up your local store's identity number (shown in the coloured panel). For easy reference you may wish to write the no. in this box
- Call **0870 600 1010** (Calls cost less than 8p per minute (cheaper at weekends and off-peak). A touchtone phone must be used
- If you choose to reserve your item, you will be given a reservation number which you will need to quote when you come in to pay for your goods in-store

* The price you pay will be the price in store on the day you collect and pay for your purchases. This service is not available on Free Home Delivery items which are delivered direct from our warehouse, rings and personalised jewellery.

* We reserve the right to remove any item from this facility. Customers using this service will be notified accordingly.

Buy an Extended Guarantee for LESS than you expect!

How do they work?

An extended guarantee offers you peace of mind by removing repair bills for up to 5 years. They also give FREE accidental damage cover for the first year * The guarantee includes the cost of parts and labour. We pay the repairers centrally so there are no bills to pay upfront. For further details ask in-store for a copy of our booklet

*Also available separately. Not available on camcorders or products bought for business use.

HOW DOES AN ARGOS EXTENDED GUARANTEE WORK?

YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5
The first year's guarantee comes from the manufacturer.		A 3 year agreement will extend the guarantee by a further 2 years.		A 5 year agreement will extend the guarantee by a further 4 years.

How can you get one?

You can buy an extended guarantee from any Argos store up to 30 days after you purchase or by calling 0870 608 7201 (lines are open 8am-8pm Mon-Fri) (9am-4pm Sat).

How much do they cost?

You can choose between a 3 year or 5 year extended guarantee.
